SKILLS

- **Programming Languages:** C++, C, Python, Java, SQL
- **Databases:** MySQL
- **Soft Skills :** Problem Solving, Project Management, Team Collaboration
- **Tools:** Power Bi, Excel, Tableau
- **Core Data Science Skills:** Data cleaning, Data Modeling, Dashboarding, Exploratory Data Analysis

PROJECT

- **Vision-Based Breed Profiling & Identification System** | YOLOv8, Efficient-B3, FastAPI, React April 2026
 - Developed an AI-based system to identify 19 Indian cattle and buffalo breeds using computer vision and deep learning.
 - Implemented YOLOv8 for livestock detection and EfficientNet-B3 for breed classification on a dataset of 4,306 images.
 - Built a real-time web application with React and FastAPI for image upload, breed prediction, and confidence scoring.
 - Achieved 75.64% classification accuracy and 92.34% Top-3 prediction accuracy.
- **Uber Rides Data Analysis** | Python, Pandas, Matplotlib, Seaborn March 2025
 - Conducted exploration data analysis on Uber ride datasets to uncover trends in ride demand and usage.
 - Processed and visualized time-series and location-based data to identify peak hours and high-traffic zones.
 - Implemented custom visualizations using Matplotlib and Seaborn for clear insight into ride patterns.
 - Provided data-driven insights to optimize resource allocation and enhance operational efficiency

CERTIFICATE

- Principles of Generative Ai Certification | Infosys May 2025
- Data Analysis with Tableau | Tableau Learning Partner Nov 2024
- Cloud Computing | NPTEL Oct 2024
- Supervised Machine Learning | DeepLearning.AI Oct 2024

ACHIEVEMENT

- Solved 50+LeetCode questions, improving proficiency in data structures and algorithms
- Organized 'Web Thon,' a 24-hour hackathon centered on web development and AI, in partnership with
- Dubai-based company AERIV to optimize event management for 400+ participants.

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology in Computer Science and Engineering; CGPA: 6.83 August 2022 - Present
- **Govt. Model Sanskriti School** Haryana, India
Intermediate, **Percentage: 90%** April 2020 - March 2022
- **Scholars Rosary Sr.Sec.School** Haryana, India
Matriculation, **Percentage: 85%** April 2018 - March 2020
